

Office Cubicle Kit

Nitrous Butterfly

<http://www.nitrousbutterfly.com>

Description

The Office Cubicle Kit is a set of low poly prefab parts and pieces for assembling your next cubicle dungeon, or possibly office environment. Kit includes high quality cubicle walls, desks and accessories with variations for great customization. All prefab parts, except glass, on a single atlas material for low draw calls.

This kit works well with our other product: [Office Level Kit](#).

Kit Includes:

25 Prefabs parts

9 pre-configured cubicle/desk options for easy drag and drop placement

Easily snap parts together to create various office cubicles or desks

Diffuse, Normals and Specular map

Prefab parts on a single atlas material (except glass parts)

Animations included for office cabinet and overhead bin

Parts Breakdown:

- 9 pre-assembled prefab cubicle/desk layouts
- 6 Wall variations
- 6 Desk / Counter top variations
- 4 Shelving / storage items
